Adam Noah Abraham Moses
Each were prophets of God
Each one opened a dispensation
Each taught of Christ

Adam
Noah
Abraham
Moses

Each in time found the message rejected
A doctrine divine yet not fully accepted

Then our Father sent His Son
Christ Jesus, The Anointed One
But even He was crucified
His message altered and falsified

So men turned away
So men fell into the night
Though the answers lay before them
They chose the darkness over light
Blindness over the beauty that they might have seen
The gift was cast away
The very gift the world shuns today

What of Adam Noah Abraham Moses?
