

Forgiveness

Though your sins be scarlet
They shall be white as snow
Though they be red like crimson
They shall be as wool

He who has repented of his sins is forgiven
And I the Lord will remember them no more

I am able to make you holy
I am able to make you pure as I am pure

I have blotted out as a thick cloud thy transgressions
Be converted that I may heal you in faith

By this ye may know that a man repents
He'll confess and forsake with humble heart
And I the Lord will forgive his sins
Show mercy to those who choose the better part

For no man can serve two masters
One he'll hate while the other he loves
One he'll hold to and cherish
While the other he will despise

Though your sins be as scarlet
They shall be white as snow
Though they be red like crimson
They shall be as wool
White as snow
Even as I
