

Child Divine

One virgin fair
One Unborn Child
In Joseph's care
Came they traveling to Bethlehem

One holy night
One brighter star
Would light the way of wise men seeking

Though rulers reigned and though princes walked the earth
Prophetic eyes with joy did view one simple birth
And though the proud and learned with words mens ears did fill
None had one Child's power to save

This woman meek
Young mother mild
Brought forth her Babe
And she laid him in a manger
Her firstborn son
God's Chosen One
This King no earthly court received

There were shepherds watching their flocks by night
When lo and angel appeared in glorious light.
"Fear not I bring you tidings of joy"

And in that hour the angels sang
The anthems rang with good tidings through the heavens
Their voices raised in songs of praise
"Peace on earth, good will towards men"

For Mary brought forth her Babe
Her firstborn son
The King of Kings and Lord of Lord's
God's Chosen One
And to a manger came
But a stranger to the world
Yet faith and wisdom seek Him still

One mother fair
One Child Divine
In Joseph's care
Went they traveling from Bethlehem
Thus to the world

This Gift had come
This light and life
Thou Savior mine
